Formalities for installation of TV Antenna on Private Houses

2289. SHRI K. M. KHAN Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether some installations like T.V. Antenna are easily visible on roofg of private houses of Delhi;

(b) if so, details thereof with nature of functions of such installation;

(c) whether such antennas can be installed by any person without any permission and charges; and

(d) if so, details thereof and if not, formalities and charges required for same?

THE MINISTER OF INFORMATION AND BROADCASTING (SHRI S. JAIPAL REDDY): (a) Yes Sir.

(b) Whereas TV receiving antennas are used for reception of TV signals transmitted terrestrially, dish antennas are used for reception of TV signals through satellite.

(«) and (d) These antennas can be installed by any person without any permission or charges for receiving signals below the frequency band of 4800 MHz except in areas of North Eastern States. J&K, Union Territories of Andaman and Nicobar Islands and Lakshadweep and Mini-coy Islands, where licenses are required for the dish antennas.
